

When **Life** gets out of Step...

Your EAP

is there

for You

Your Employee Assistance Program (EAP) is available 24 hours a day, seven days a week to help you address issues, such as:

- depression and anxiety
- marital and family concerns
- child and elder care issues
- workplace concerns
- legal and financial issues
- substance abuse
- health issues

Call your EAP today. Experienced professionals are available to help you address your concerns. Your conversation will be kept confidential in accordance with state and federal laws.
